Trace History of Farm Organizations in Alberta

(Contributed)

Before 1909 there were in Alberta, two farm organizations, "Society of Equity," and "Alberta Farmers Association." They joined together in 1909, making the U.F.A.

In 1915 there was formed a women's section of the U.F.A., known as the U.F.W.A. and in 1919 the Junior section, consisting of young people, was set up.

From 1921 to 1935 the U.F.A. took an active part in politics, heading the government of Alberta with Greenfield and Brownlee as premiers.

Early in 1930 a section of the U.F.A., wanting to follow a more direct action program, broke away and formed the A.F.U., once making two farm organizations in Alberta. Some 14 years ago, many members of each organization, realizing that much more could be accomplished for agriculture through one organization, started negotiating for the amalgamation of the two groups, and this was accomplished the winter of 1943-49.

There now is one direct farmer organization known as the Alberta Farmers' Union. Besides this, there is in Alberta a co-ordinating body, the Alberta Federation of Agriculture, which is composed of a membership of directors representing each agricultural co-operative and the U.F.A. Then at the national level there is the Canadian Federation of Agriculture, the co-ordinating head of all farm and agricultural groups throughout Canada.

The C.F.A. is now the fully recognized national voice of Canadian Agricultural Producers. The C.F.A. has always been a member of the Canadian delegation to Food and Agriculture Organization of the United Nations. In 1948 there was organized in London, Eng., the International Federation of Agricultural Producers representing some 30 countries.

Four years ago the I.F.A.P. convention was held in Canada and some 200 delegates from the 30 countries toured Canada, many of them attended the Nanton Stampede. Dr. Herb Hannom of Ottawa, the president of the Canadian Federation of Agriculture, also heads the International I.F.A.P.

Farmers, this is your farm organization set up and the convention of District 12 F.U.A. will be held in the Oddfellows Hall, Oct. 11. Every farmer is welcome.

Mr. and Mrs. H. Winch accompanied by Mrs. Bob Scott spent two days in Calgary last week.

Since the power came to Majorville the district has had a rash of appliance salesmen. Its surprising how quickly their personality changes when you tell them you intend to buy your appliance through the store in town. Some folks purchased deepfreezers in the summer and had them running in the store of the merchant from whom they purchased them and found on taking the freezer home they couldn't get it into the house.

Bob Prentice has returned east where he will rejoin the R.C.A.F. unit in London, Ont.

Mr. and Mrs. Alf Heather spent Monday evening visiting with Mr. and Mrs. Lecuyer of Queenstown.

Hugh Laughren has returned to his home in Calgary after spending the harvesting season on the farm.

Miles Clemmons and Clarence Umschied went off for a day's fishing and looking for poles along the new Coleman to Kananaskis highway. They found both trout and poles but the catch is they had to turn lumberjack to get the poles.

Mr. and Mrs. Alf Heather journeyed to the Drumheller district on Sunday where they visited Mrs. Grace Lavell and Mrs. Heather's son Roy Hostettler.

Mr. and Mrs. Don Campbell and family of Elnora spent the holiday weekend with the former's brother-in-law and sister, Mr. and Mrs. J. Bartsch.

Another new house has been started in the community, this time for Bert Clemmons whose marriage to Betty Fraser, R.N., of Bussano, elder daughter of Mr. and Mrs. Strang Fraser of Cluny, is a forthcoming event.

Another forthcoming marriage of local interest will be between Ted Klemle, son of Geo. Klemle and Lois Henry, only daughter of Mr. and Mrs. Sandy Henry.

Mrs. Francis was a visitor to Calgary last Tuesday.

Why all the hub-bub about our train service. The chapter and verse is forgotten, but that Grand Old Volume whose word is law and whose prophecies will be fulfilled proclaim "And on the earth there shall be creeping things."

Congratulations are sent to Mr. and Mrs. Stan Godkin (nee Margaret Vooyos) on the birth of a son in the Bassano Hospital.

Mr. and Mrs. Clemmons were supper guests on Sunday at the home of Mr. and Mrs. A. Clemmons of Queenstown. A highlight of the supper was a birthday cake with two candles for little Brenda Lee Clemmons, granddaughter of Alva Clemmons, who with her parents, Mr. and Mrs. Don Clemmons of Calgary were down for the holiday weekend.

Our Bang's disease campaign is well underway and if you are contemplating having your heifer calves vaccinated, please return your card as soon as possible so that we may get along with the actual work of vaccination. Quite a number of calves have already been listed with us and we hope in the next week or so to have a much greater response, read over your circular carefully and return the card to us and we will see that the veterinary reaches you before too long.

The Advocate staff cannot make a house-to-house canvass for news every week, but we are always glad to have it phoned or handed in. We want all the news and are just as pleased to mention your guests or your visits as those of your neighbors—but maybe your neighbors co-operated with us in getting the facts. Phone your items in or drop them in at the office—as early in the week as possible.

W.I. Members Hear Reports

The regular meeting of the Thigh Hill W.I. was held at the home of Mrs. Bert Ohler, with 12 members and two visitors present.

Roll call was answered with "Memories of My Wedding Day."

A most interesting letter was read from the Constituency Convener, Mrs. Bert Maisey. A donation of \$10 was made to the Canadian Institute for the Blind, and an interesting report was given by Mrs. Coe on the 34th Constituency Conference, held in Vulcan in June.

The sum of \$8 and \$3 was turned in by Mrs. Pat Roe and Mrs. Roy Deal, respectively as Talent Money. Mrs. Roe reported that she had raised hers by supplying her home as a polling station in the election, while Mrs. Deal sold fresh vegetables from her garden to realize her contribution.

The tea raffle was won by Mrs. Koe, who also assisted the hostess in serving a delicious lunch. A birthday cake, in honor of the newest member, Mrs. A. Slinn, was presented and cut. Mrs. Clayton Clarkson will entertain the next regular meeting.

Project For This Year

Berrywater F.W.U.A. Is Preparing District History

The Berrywater F.W.U.A. met at the home of Mrs. Victor Rushfeldt on Wednesday, Sept. 24, with the president, Mrs. Bertha Webber in the chair.

Several items of business were brought up. It was decided to enter the "Action Contest" being sponsored by Central Office. In response to a letter regarding "Donations to the Blind" it was decided to ask members to bring their donations and those of their friends who wished to contribute, to the next meeting.

A discussion took place on duck damage and the various remedies being suggested in the local papers. It was felt these were inadequate to meet the situation. Mrs. Olive Douglas and Mrs. Winnifred Oldfield were appointed to draft a resolution expressing the views of the local, this to be presented at the next meeting and at the Conference in Vulcan on Oct. 23.

The project for 1952 "A History of Berrywater and I.F.A.R. convened by Mrs. Jack Smith, received a very splendid contribution from P. J. Haslam in "A History of Berrywater and vicinity." This very comprehensive history was read by Mrs. Olive Douglas. More will be heard of it later.

A paper on Civil Defence was read by Mrs. Gladys Rushfeldt. In the discussion following, Mrs. Clifford Love outlined the work being done in Vulcan and the course for wardens given there. It was reiterated, as stated in Gladys Rushfeldt's paper, that all neighbors should have a warden and know who he is.

As the Macleod Conference is in Vulcan on Oct. 22, the regular meeting was changed from that date to Oct. 15, the place to be announced later.

A very interesting talk and demonstration on "Arrangement of Flowers" was given by Mrs. Ruth McBride of Arrowwood. Six main points in arranging bouquets were noted in the several bouquets in the room.

With a swatch of grass tied with cord as base, a spray was made of dark red snapdragons and cream snaps above the wide ribbon bow, which completed the spray.

Also a corsage of small dahlias was made, and one of white gladioli centred with blue cornflowers. These and other flowers were sent with Mrs. Marie Love to Mrs. Dave Sims, who was a patient in Vulcan hospital.

The appreciation of the local for the most enjoyable and instructive talk and demonstration given by Mrs. McBride was expressed by the Presiding Officer and heartily endorsed by all present.

After a very delicious lunch, served by the hostess, assisted by Mrs. Chloe Marshall, the gathering dispersed.

Shower Honors Local Nurse

Prior to her departure to be married, Miss Betty Dorschner, who has been on the nursing staff of the local hospital for the past year, was honored at a miscellaneous shower at the home of Mrs. J. P. O'Connell. Nurses of the hospital were joint hostesses with Mrs. O'Connell for the occasion. On her arrival the guest of honor was presented with a corsage of roses.

Some 17 friends were present and enjoyed a most pleasant social evening. A mock wedding was participated in by Miss Muriel Oakes as the minister, Miss Loretta Schmidt as the father of the bride, Miss Colleen O'Connell as the groom, Miss Joyce Palmer as the bride and Miss Muriel Oakes as the rejected suitor. The wedding music was titled "What Happened" and the badly flustered minister began with the burial service to be followed by the christening service before he finally found the marriage one. The whole performance was most comical and caused a great deal of laughter.

A gaily decorated child's wagon piled high with colorfully wrapped parcels, was brought in by Miss Muriel Oakes, who made the presentation on behalf of those present and extended many good wishes to the bride-elect.

Also honored on this occasion was Miss Muriel Goulding, who has been on the local staff, and who has left to further her studies at the University of British Columbia. She was presented with a

Pioneer of Town, Fred A. Elves Dies at Calgary

One of Vulcan's first business men, Frederick A. Elves, died in a Calgary hospital Saturday morning, Oct. 11, after a short illness.

Mr. Elves was born in Paisley, Ont., and came west to the Vulcan district in 1906 and took up a homestead. When the railway grade came through, he and his brother, R. L. Elves, built and operated a general store just south of the present location of Russell Grahams home, north of town. When the C.P.R. opened up the Vulcan townsite in 1910, the Elves Bros. purchased the second lot to be sold and moved their store to the new location. In 1912 they built a larger store (now King's Drug Store) and operated a general store, post office and telephone exchange. He was elected as one of Vulcan's first village councillors in 1913.

In 1925 Fred Elves went into the Real Estate business and then moved to Vancouver. He returned in 1926 and established the investment firm of Calgary Brokers Ltd. in Calgary. Mr. Elves pioneered in the development of Turner Valley and prior to his retirement last year held many positions as director and officer of oil companies in the Calgary area.

He was president of the Calgary Stock Exchange in 1934 and 1935 and was a member of the Calgary Rotary Club and of Wesley United Church.

Surviving are his widow, three sons, Gordon and David of Calgary, and Douglas of Edmonton; five brothers, James of Sanford, Man.; Reuben and Herbert of Calgary; Edward of Cayley, and John of Lethbridge, and two sisters, Mrs. J. McCaw of Fort Qu'Appelle, Sask. and Mrs. L. E. McConkey of Calgary.

John Engen Hurt In Power Take-off

Misfortune struck John Engen for the second time this fall, when he became entangled in a power take-off, at the Carson McKay farm, last Wednesday.

While applying dressing to the belt of the machine his hand became caught and was drawn into the moving parts. Steve Cahoon, who was working with him, immediately cut the motor, bringing it to a halt. But with even this prompt action, Carson McKay found it necessary to remove four bolts on the machine to free young Engen. He was promptly rushed to the Holy Cross hospital in Calgary where the fracture in his arm was set and surgery performed on the badly torn flesh.

Latest reports are very satisfactory, although skin grafting will be necessary at a later date. At the beginning of harvest operations this fall John received a badly sprained ankle, when he was caught in a swather.

C.W.L. Ladies To Raise Funds

Mrs. Frank Shaw was hostess to the October meeting of the C.W.L. when there were 20 members present. The meeting opened with the reading of the League prayer.

Among business matters dealt with was the completing of plans for the Bake Sale, to be held at Simon's Food Store, Saturday, Oct. 25 commencing at 3 p.m.

It was decided to raffle a Christmas food parcel to raise funds for a Christmas party for the children of the parish.

Following the business session, the meeting was brought to a close with a contest arranged by Mrs. Ed Grondin, which proved very entertaining and was won by Mrs. M. Bakken. The tea raffle was won by Mrs. Louis Shaw.

A delicious lunch was served by the hostess, and a pleasant social hour was enjoyed by all.

rose corsage and a souvenir of silver from her co-workers.

Serving of a delicious lunch by the hostesses brought the happy evening to a close.

GOVERNMENT BUSINESS

PROVINCIAL DEBT

This is what your Alberta Government has done to the \$167,000,000 public debt accumulated between 1908 and 1935:

- \$25,000,000 was saved the taxpayers of Alberta outright through debt reduction negotiations.
- Average interest rate on Province of Alberta debentures in 1936 was 4.88 percent and now is 2.87 percent.
- A debt retirement plan has been arranged to wipe out the entire debt by 1973—in 21 years time—or at an earlier date if it is in the public interest to do so.
- This schedule of debt retirement will require 5 percent of the revenue on income account compared to 51 percent required to pay interest charges in 1936.

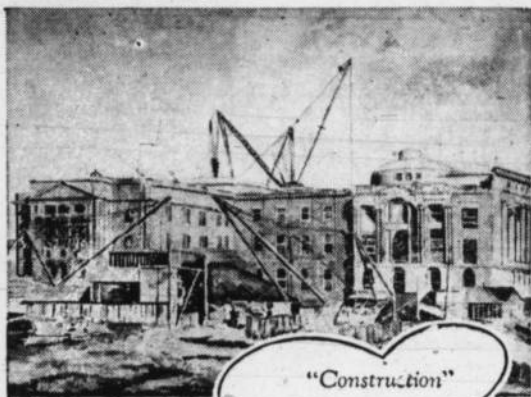

How much has the Provincial Debt been reduced?

Total debt, March 31, 1936	\$167,027,144
Total Debt, March 31, 1952	97,742,487
Debt reduction	\$ 69,284,657

Milo News

If the news is rather on the sketchy side this week you can blame that very nasty windstorm that hit the district last Thursday night. The power was disrupted for about two hours but the telephone lines are still disrupted. They weren't in very good shape before that but now nearly all of them aren't in any shape at all. More than half the lines are completely out of order and some of the others are so noisy that they are anything but satisfactory. Let's hope that by next week they are repaired so that Monday night news from all over the district can be gathered.

Another thing that makes the news scarce this week was the lack of people in town Saturday night. The place looked almost like a ghost town or the shopping centre for a harem with the maharaja away. It seems like every man capable of carrying a gun went to Brooks on Saturday for the opening of the pheasant season, and left their wives at home to do the chores. Nice work if you can get it and it looks like they can get it. Several hunters have returned and stated that there are lots of birds to be had. But then it is like any kind of hunting—the game is there—just bring it home.

There was a dance in the I.O.O.F. hall on Friday evening with Fraser's orchestra supplying the music. Considering the number of people that are still harvesting, there was a very good attendance. However, there were quite a number of strangers to fill in the gaps made by the absence of the local people. As there hadn't been a dance in the country for some time, it was a welcome event and more to follow would be just as welcome.

Mrs. Nellie Burk spent some time in Cluny last week visiting with her brother and sister-in-law Mr. and Mrs. Steve Williams. Mrs. Hoerle a sister of Mrs. Burk, and Mr. Williams was also visiting in Cluny but returned to Calgary at the first of the week.

The United Church certainly has its name in the news this week. First of all a complete change has

been made in the Sunday school. Mr. Beechman has accepted the position of Sunday school superintendent. A complete set of teachers has been organized with substitute teachers for each class in the absence of the regular one. Mrs. Norman McCord is teaching the pre-school children with Mrs. Lewis Ivers as her stand in. Mrs. June Beckner is teaching the children from six to nine with Mrs. Bittorf as her substitute. Mrs. Bob Bertrand is teaching the girls of the senior class. Mr. Beechman is ready to take over the senior boys as soon as a class is ready.

The United Church also announces that Rev. Clark of Vulcan will officiate at services in Milo every other week for the coming year. The services will begin at three o'clock and one will be held on Oct. 19.

The United Ladies Aid held their regular meeting at the home of Mrs. Lil Peterson last Wednesday. The meeting was well attended and the members were each allocated territory to canvass for the Canadian Institute for the Blind campaign that is currently in progress. The next meeting is to be held at the home of Mrs. Jessie Umschied.

A successful apron sale and tea was held on Friday by the Milo United Ladies Aid. The Explorer girls held a candy sale in conjunction with the sale and cleared about ten dollars.

Here's a hint for all you farmers who hate to dig potatoes and who doesn't. One such farmer last week discovered a relatively simple method that does everything but bend down and pick them up for you, at least that is what he says. This quick method is accomplished with a Noble blade. By setting it at just the right depth it will root the potatoes right to the surface and not damage them in the least. If set too deep all it does is loosen the soil but it still make it easier to dig the potatoes out as you can scratch them to the surface with a fork. If set too shallow it will cut the spuds badly, but if set just

right they will be set right on top of the soil and by scratching the surface with a fork it is easy to find them all. Please note, this is not an ad for a Noble blade either, as it is believed that any make would do the same job.

Here's a hint for the young people from this week's album excerpt:

Never make love by the garden gate
Love is blind but the neighbors ain't.

District News

From Our Correspondents

ARROWWOOD

Mr. and Mrs. H. M. Kerr, Calgary and former residence of this district were weekend guests at the home of Mr. and Mrs. F. Kemper.

The district ladies had a Teachers' Welcome party on Saturday, Oct. 4. All had a very enjoyable evening as there was a planned entertainment where Miss Rose Norton sang also Myrna and Marvin sang a duet. Eleanor House played a piano solo and Lillian Wallace sang a number. A very nice speech of welcome was given by Mrs. Ward who told of the trials and tribulation she had when she came here to teach and now the trials of a parent. A contest, where everyone got acquainted with those present and also the flowers and animals pictured in various fashions. Now two couples got all the answers correct and either they are very good at these contests or they could talk the answers out of those who had guessed them better than we for we missed two answers. Marg Campton led the group in several numbers of community singing then lunch was served and everyone visited for the rest of the evening.

Mrs. Joe Stevens and two sons, and Ken Boucher are now vacationing in Winyard, Sask., with their parents.

Milo has their false burglar alarms but Arrowwood has had two fire alarms. The first one was when a garbage can at Bannister got out of control. The turn out was very good and was soon extinguished. Then on Sunday the siren blew and people ran looking first one way then the other. The fire turned out to be only the candles burning in the Catholic church.

Mrs. Vanell Opal and Dorothy from Oregon paid a short visit to the community.

Mr. and Mrs. F. Williams journeyed to Radium Hot Springs with Dr. and Mrs. L. G. Alexander.

Arrowwood is nearing completion of its harvest and some of the combines have been down working on the reserve. The grain companies are giving their elevators in this district a face lifting. The U. G. G. built a new annex and the Pool elevators are going to build a new annex. The Alberta Pacific had some repair work done also.

The Brethren Ladies sent a shipment of canned goods to the Crippled Children's hospital last week and the Community sent another shipment this week of Canned goods and vegetables.

The United Church is holding a Fowl Supper at the U.F.A. Hall on Friday, Oct. 17.

Word has been received here of the death of Mrs. Will Foster who passed away at her home in Melbourne, Ont., in her 69th year. Mr. and Mrs. Foster homesteaded in the district around the Ridgeway school for many years and was well known to many people in and around the district.

She leaves to mourn her loss her husband Will of Melbourne, and three children, Ethyl of Royal Oak, Mich., Thelma of Louisiana, and James of Melbourne.

Mr. and Mrs. Ken Ruby of Turner Valley were recent guests at the home of Mr. and Mrs. Lee Ealdwin.

Mr. and Mrs. Allan McClean of Champion accompanied by Mrs. Mac Baldwin motored to Calgary to attend the personal appearance of Jeanette McDonald.

John Hubka left Saturday for Windsor, Ont., to attend a Chrysler Plymouth Convention. It is expected he will be gone for two weeks to attend this Canada-wide convention.

Miss Barbara Stafford who has been employed in Lethbridge for the past few months was a week end visitor at the home of her parents, Mr. and Mrs. Art Stafford. Misses Roeman Burke and Doreen Ruggles spent the weekend in Champion visiting with friends and relations.

Thanksgiving services were held at the Anglican Church Sunday with a very good attendance. Services were under the direction of Rev. Royce. Notice will be given as to when the next service will be held.

Mrs. C. Marr left for her home in Medicine Hat after spending a short holiday with her sister Mrs. John Hubka.

Mr. and Mrs. George Cairns and son of Calgary spent the Thanksgiving weekend in Carmangay visiting friends and relations.

Miss Beverly Burgess of Calgary and Bob Needham of Rimby were recent visitors in Carmangay. Bob acted as best man at the Anderson-Robertson wedding.

Shower Honors Local Girl

A shower was held recently in the Church basement honoring Mrs. Harvey Robertson (nee Gladys Anderson). An excellent crowd was present for the occasion and many lovely gifts were given. A short program was rendered by some of those present. Joanne Hubka and Mrs. Marg Moore presented the gifts to the bride. A dainty lunch was served in conclusion of the evening.

Ladies Altar Society

The monthly meeting of the L.A.S. was held at the home of Mrs. Helen Hubka Wednesday, Oct. 8, with a very good attendance. The minutes were read and approved and a great deal of old business was taken care of before the election of officers were put into their new positions. A financial report was given by the past secretary, Mrs. Rosela Hubka.

It was decided that a Harvest Hamper would be raffled again this year and the lucky number would be drawn for at the Home and School card party which is to be held October 28th. The annual Tea Bazaar and Bake Sale will be held December 6th in the community hall from 3 to 7 p.m.

The new officers were put into office and are as follows: President, Mrs. Helen Hubka; Vice-president, Mrs. Rosela Hubka; Secretary, Mrs. Paul Plourd. Mrs. West and Mrs. Joany Minty were appointed to solicit in town for donations to the Harvest Hamper.

The raffle was won by Mrs. Szekely, after which Mrs. Hubka served a tasty lunch.

Meeting of High River Presbytery

The Carmangay United Church was host to 20 ministers and lay delegates of the High River Presbytery on Tuesday, Oct. 7. The session opened at 9:30 with Rev. C. D. Powell of Nanton in the chair. Rev. S. Hunt of Turner Valley conducted the devotional period. The business of the Presbytery was in charge of the chairman with Rev. S. Scott of Blackie, Secretary. Visiting officials were Rev. R. Christie, Vancouver, assistant secretary of social service and Evangelism; Rev. R. W. Elliott, Regina, Supt. of Home Missions for Southern Alberta and Saskatchewan; Rev. D. J. Elston represented St. Stephens College of Edmonton.

The afternoon sessions heard reports from the various committees. Rev. J. Sorochnan gave an interesting talk and a report on the work of the young people in the Church. The Carmangay W.A. provided dinner and supper for the delegates in the basement of the church.

In the evening a full report of the General Council meeting, held in Hamilton, Ont., was given by Rev. Scott and Rev. C. D. Powell.

Robertson-Anderson

A marriage of widespread interest was solemnized on Friday, Oct. 10 at 3:30 p.m. in the United Church, Carmangay, by Rev. Pet-

er Dawson, when Gladys Evelyn, daughter of Mr. and Mrs. Clarence Anderson of Bowville, became the wife of Harvey George, son of Mr. and Mrs. Bright Robertson of Carmangay.

The young bride, radiant in her wedding gown of white lace and satin, with halo cap and Chapel veil and carrying a bouquet of American Beauty roses, entered the flower-bedecked church on the arm of her father to the strains of the wedding march, played by Mrs. John Hansen. Her only ornament was a pearl drop necklace, gift of the groom. She was preceded down the aisle by her matron-of-honor, Miss Joanne Hubka, and bridesmaid, her sister, Mrs. Lloyd Trapp.

Miss Hubka was charming in a floor length gown of dusky rose satin with matching headdress and veil. She carried a bouquet of jonquil yellow carnations. Mrs. Trapp chose for the occasion a floor-length gown of sea-green nylon net with becoming halo cap and veil in the same shade. She carried a bouquet of shell-pink carnations.

The groom was supported by Mr. Robert Needham of Edmonton and Mr. William Moore of Carmangay. Ushers were Lloyd and Plenny Anderson, brothers of the bride.

During the signing of the register Mrs. Marvline Kryshinsky, cousin of the bride rendered the solo "Because", accompanied by Mrs. John Hauser.

Following the ceremony a reception was held in the church hall where a delicious banquet, served by the ladies of the W.A. was enjoyed by the 97 invited guests.

The bride's mother wore for the occasion a gown of autumn rust shade and a corsage of Talisman roses.

Mrs. Robertson, the groom's mother, chose a dressmaker suit of pearl gray gabardine adorned with corsage of Talisman roses.

The bride's health was proposed by Rev. Peter Dawson and responded to by the groom.

Later in the evening a crowd numbering more than 500 attended a wedding dance in the local community hall, at which Fraser's Orchestra supplied the music. A presentation of a purse of money was made to the young couple by Roy Gigi of Barons in an apt and witty manner.

Open house was held by both the bride's and groom's parents during the evening.

The numerous wedding gifts, in charge of the bride's aunt, Mrs. Axel Wennes were displayed in the hall of the church.

Following the dance, Mr. and Mrs. Harvey Robertson left for a wedding trip to points in the States.

Guests were present for the event from Edmonton, Calgary, Medicine Hat, Magrath, Lethbridge and Pincher Creek, and

Milo News

The 1952 F.W.U.A. chicken supper is now a thing of the past and you won't find one of the thirty-odd ladies who had anything to do with it who wishes it was anything else. While it is quite true that the money from this one fund raising activity supplies in full the needs of the organization for a year and no other project is necessary don't let anyone tell you that it isn't hard work. How would you like to start sorting your six knives, forks and spoons out of a pile of about 360 after you have spent all day frying chicken and baking pies and buns and then spent the last four hours trying to serve food that would look appetizing to the public? Oh well, it has all been done for this year and now we can sit back and laugh at some of the hilarious things that happened. For example, when they were running out of salad, more just had to be made and as work space is sadly lacking in the kitchen of our hall, Fran Bertrand could be seen with the krait cutter and several heads of cabbage, crouched in the coal bin making salad at a great rate. Yes, we can laugh about it now and next year we will probably be right back there with our chicken supper again but right now for heaven's sake don't even mention such a thing in our hearing.

The regular meeting of the Lutheran Ladies Aid was held last week at the home of Mrs. Jack Deitz. There was a very good turnout of members and several visitors. The bazaar was discussed and planned in detail for November 15. Mrs. Audrey Thompson presided in the chair in the absence of the president, Mrs. Heather. The next meeting is to be at the home of Mrs. Anderson in Milo.

There must be something about those English girls that causes the Smith boys hearts to melt because another of them has come up with an English bride. Vern Smith and Jessie McLeod were married on Oct. 3 at a civil ceremony in Hope B.C. They came to Milo as part of their honeymoon and plan to spend more of it in Victoria visiting with Mrs. Smith Sr. Both Vern and his bride have been working in Ocean Falls, B.C. and plan on taking up residence there on their return.

Milo should certainly be proud of this local boy who is really making good. Bill Peterson, now a commissioned officer in the R.C.A.F. recently went overseas, as one of a picked group of men flying jet planes to France as part of Canada's N.A.T.O. forces.

Mrs. Martin Peterson of Seat-

le, Wash., has been visiting with her daughter, Mrs. Mildred McDonald at High River and came from there to Milo where she renewed acquaintances with old friends of the district.

Jim Rodonets, who served one summer as a student minister of the United Church in Milo, was back spending a few days visiting with acquaintances. He has been forced to suspend his work as a minister because of very bad health and is now working for the San Francisco Oil Company as a salesman of oil shares.

Mr. and Mrs. Gordon Ivers, accompanied by Mr. and Mrs. Lewis of Retlaw were visitors for the Thanksgiving weekend at the home of Mr. and Mrs. Paul Kish of Cremona.

Mrs. Rose Mills and Mrs. Irvin Sukut went to Calgary last week to attend the concert given by Jeanette McDonald. Both ladies thoroughly enjoyed the concert and said that Miss McDonald was one of the most charming celebrities that they had ever had the pleasure of watching.

Mr. and Mrs. Jack Hamilton and two children of Edmonton were guests at the home of Mr. and Mrs. Russell Mills for a weekend not long ago. Mr. Hamilton went pheasant hunting while here.

Are you superstitious? Well, if you are here is another of your happenings in threes. Another accident in this district and this time really serious. Mr. L. French, who has been working for the Searle grain company in building the annex on the elevator in Milo, last week overturned the truck which he was driving. John Papp who was right behind the truck and saw the accident, found the man unconscious on the road and wrapped him in a bed roll and called Cpl. Yates at Gleichen. The R.C.M.P. took the man to the hospital in Bassano where no details have as yet been obtained. There is the third accident for this district in a relatively short time and let us hope that the series is quite finished.

Mr. and Mrs. Clarence Umscheid took a trip last week to several communities north of here and visited with a number of people who at one time resided here. They went first to Alex where they spent some time with Mr. and Mrs. Buchanan who were at one time station agents in Milo. Mary Jean is at home at the pre-

Sandy Redge, an air force friend of Bob Umscheid, is spending a few days at the home of the latter's along with two friends to do a little goose and duck shooting.

Gene Jones, formerly of Milo and now of Three Hills, returned to the old stomping grounds to do some hunting last week. Isn't it nice that the district has some entertainment to offer those who leave so that they will come back to visit at least. Seems like this column is full of the visits of people who have come back to hunt or who have chosen this time to visit friends or relations so they can do a little shooting.

It wouldn't do to ask Bob Deitz right now if he would like to go into the cattle business on a big scale. For the past several days he has been very laboriously digging a sewer ditch. Well, one morning one of his cows fell into this very deep and narrow ditch and of course couldn't get out. So Bob called out the fire brigade, so to speak, and over came George Heather and Clarence Umscheid. After much struggling they got bossy out and then do you suppose that she was grateful? Not on your life. It would appear that she blamed Bob for all that had befallen her and she was going to get even. So she started to chase him and either he isn't a sprinter or else he isn't as young as he used to be because she caught him and knocked him sprawling in the dirt. Well Bob just isn't beaten with the first punch so he got up and this time she knocked him in to a barbed wire fence and he decided that that was enough. Wonder if Bob has never heard of using a red cape when playing around with those critters.

A party was held at the home of Mr. and Mrs. Lawrence Smith for Mr. and Mrs. Vern Smith where friends and acquaintances of the latter could wish the couple well on their recent marriage.

Mr. and Mrs. R. W. Holditch and daughters of Kimberly, B.C. were visitors at the home of Mr. and Mrs. Len Northcott. On Sunday, as many of the Northcott family as could gathered at the home of Mr. and Mrs. Harold Northcott for dinner. There were about 20 altogether.

Mr. and Mrs. Clarence Umscheid took a trip last week to several communities north of here and visited with a number of people who at one time resided here. They went first to Alex where they spent some time with Mr. and Mrs. Buchanan who were at one time station agents in Milo. Mary Jean is at home at the pre-

train as a nurse. David is still in the University in Edmonton taking his dentistry training. Bill is now a station agent and has a station of his own at Unity, Sask. While at Alex, Mrs. Umscheid attended an F.W.U.A. meeting and they saw Mrs. Eller and Mrs. Jennings, formerly of Queenstown. Also Mrs. Parby, the former Bea Buckley who taught school in Milo many years ago. She also visited with Mr. and Mrs. Art Soli. Then they went on to Lacombe to attend the wedding of Gwen Caverhill and Nelson Norton. The ceremony was performed by Mr. Davidge who will be remembered by old timers in the district. After the wedding they called on the Brindans only to find that Mr. Brindan was in the hospital in Lacombe and was only coming home that day. On the way home Mr. and Mrs. Umscheid stopped at Three Hills and called on Mr. and Mrs. Gene Jones and family. We are sorry to learn that little Barbara has had her arm broken and is still having trouble with it. It had to be rebroken once after it was set and they are afraid that it still isn't right. And so the Umscheids, having beautiful weather for their trip and seeing many old friends, had a very enjoyable time.

Mr. and Mrs. Bill Black and family spent the Thanksgiving weekend at Lacombe visiting with Mrs. Black's parents, Mr. and Mrs. Saunders. Carol and Joy went up a few days ahead of their parents as they travelled with Mr. and Mrs. Carson who were on their way to Red Deer to visit with the latter's parents, Mr. and Mrs. Robinson.

Mrs. I. Armstrong has moved into town for the winter and is liv- sent but plans on entering the University hospital in January to

ing in Mrs. Reck's house on the hill.

Mr. and Mrs. H. A. Johnson spent Thanksgiving weekend in Edmonton with their daughter Winnie.

Mr. and Mrs. Raymond LaRue of Calgary are spending some time at the home of Mr. and Mrs. Jack Deitz.

Here's our little gem for this week: —God bless him who sitteth on a tack for he shall rise soon.

Illustrated—Buick Custom 4-door Tourback Sedan

You'll be amazed at
the LOW price of BUICK

TODAY'S market conditions are the kind in which Buick really shines.

Do you know why?

Buick prices start down within easy reach of the folks who, in the past, have been in the habit of buying lower-priced cars.

Fact is—a big chunk of Buick sales now comes from the folks who trade in one of these lower-priced cars.

For very few extra dollars, they're getting a lot more automobile.

They're getting more power—and the thrill that goes with it.

They're getting "big-car" comfort. They're getting a ride that cost a million dollars and more to develop.

They like the room, the fabrics, the extra appointments they find in the smart-stepping beauty pictured here. And they like Dynaflo Drive.*

They like the way it handles. They like the way it's engineered. They like the satisfaction they get out of touching off the power of its Fireball 8 Engine—and they like the miles they get from a gallon of fuel.

BUICK SUPER

So Buick sales are booming. Not just the CUSTOM—but also the SUPER and ROADMASTER. Folks find that each one is the buy in its field.

When we tell you that business is great, we can back up that statement with figures. More people are buying Buicks than any other car at their price or above.

Why don't you come in and see for yourself what's behind this popularity?

If you can afford a new car, you can be the proud owner of a Buick.

A GENERAL MOTORS VALUE

*Equipment, accessories, trim and models are subject to change without notice. *Dynaflo Drive and Wheel Crests standard on Roadmaster, optional at extra cost on other Buicks.
